Dear Chair DeLauro and Ranking Member Granger:

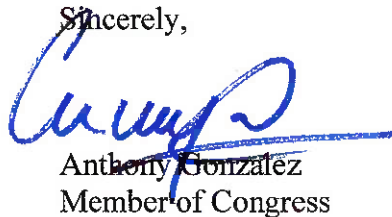

I am requesting funding for the Columbia Road (State Route 252) Reconstruction Project in FY 2023:

The entity to receive funding for this project is the City of Olmstead Falls, located at 26100 Bagley Road, Olmstead Falls, Ohio 44138.

The funding would be used to construct a two-lane concrete curb and gutter pavement to include additional sidewalks and an updated storm sewer system. The project would be a valuable use of taxpayer funds because it will improve both driver and pedestrian safety by providing wider pavement, a better drainage system for stormwater, and a pedestrian-only sidewalk.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
